Time really flies. Here we are at the release of Pokémon Adventures Vol. 3 already. In this issue, Red, Green and Blue will storm the Silph Company Headquarters, the secret base of Team Rocket. How will their venture turn out!?

Mato

Battle after battle!! I spent a great part of my time drawing this volume with a tight grip on my pen, as if I was personally involved in the battles myself. I hope you'll enjoy this book, which I managed to complete just before the deadline.

The decisive battle with Team Rocket at the Silph Company Headquarters in Saffron City, the furious match with Sabrina at the Saffron City Gym and Red's final battle against his best friend and rival, Blue. Don't miss the feast of fierce battles in the climax of Pokemon Adventures! Feel the heat and excitement with Red!
